Volunteers participate at their own risk and must be at least 18 years of age or accompanied by a parent. The Nature Center discourages bringing children to pull weeds along busy roads. A representative from the Nature Center will meet you at the location - please bring gloves, safety vests & trowels if you have any. We will bring plant identification guides, extra gloves, tools and plastic bags for bagging weeds. NOTE: if you run more than 15 minutes late, your party may have left the area.
